Dear Customers,

VICT Industry Notice (Premium Slot Fee)

Effective 1 July 2021, VICT will be introducing a Premium Slot Fee as apart of our Vehicle Booking System Charges.

VICT are focused on providing sufficient slots for our customers while ensuring that we maintain consistent Truck Turn Times for those who have planned their movements in advance. This is achieved by issuing a maximum number of slots per hour and continually monitor demands and performance and if possible to release additional slots into the system.

Over the past twelve months, we've seen an increase in requests for last-minute slots especially around Export Cut Off and Import Last Free Days. This has caused the system to be under extreme pressure and challenging to maintain our service level for those customers who've planned in advance.

To discourage the use of last-minute slot requests and discourage some customers reliance on them, VICT will be implementing a Premium Slot Fee for slots issued over and above our regular allocations.

The charge will be \$109.50 (subject to GST) per slot and will be charged directly to the transport operator.

Premium Slots will be issued at the terminals discretion and are not guaranteed by request. If customers fail to arrive for a Premium Slot, charges will still apply.

VICT are proud participants of the Victorian State Governments Victorian Voluntary Pricing Protocol (VPP) and invites all parties to submit their enquiries related the Premium Slot Fee to customer@vict.com.au.

Feedback and further comments will be shared directly with the Department of Transport (DoT).

Yours truly,

Patrick Chan
Chief Commercial Officer
