Description

- Management of requests and the charging of a fee for the late receipt of export containers after the agreed vessel cut-off.
- This includes vessels sub contracted to Victoria International Container Terminal by Patricks Stevedores Operations P/L and DP World Australia Limited.
- This excludes Red Line Hazardous, Over Dimensional containers and Break Bulk or any other containers arranged by Victoria International Container Terminal.

Procedure

- Applications will be responded to or actioned during daytime hours Monday – Friday 06:00 – 18:00 and Saturday – Sunday 06:00 – 14:00
- The Container Operator who is responsible for the shipment of the container must send an email to support@vict.com.au requesting a late receipt with the following requirements;
 1. Request is made prior to the official export receipt cut off for the vessel the container is to load.*
 2. A valid PRA (pre-receipt advice) is lodged prior to the request being made.
 3. Approval from the Vessel Operator of the outbound vessel must be included in the request.
 4. The registered Carrier (Transport Company registered with VICT) details are advised.
 5. The proposed arrival date and time at the Terminal is advised.

* If requests are made after export receipt cut off and requirements 2-5 detailed above have been met, the decision to accept will be solely at the discretion of the VICT Vessel Planner in charge of that vessel.

- The Late Receipt request will be considered and a response will be sent approving or declining the request by the Support Team or Vessel Planner.
- Charges are applicable to the Container Operator when the container arrives into the Terminal. In the event that a container is not loaded due to incorrect PRA information, the Container Operator will still be liable for the Late Receipt Fee.
